FYI -

Jerry Meral called today re: our recent letter to Mike Jewell (which he hadn't yet read) and our meeting on December 3. On Dec 3, they will brief us on their current NEPA/CEQA alternatives, their screening criteria, and some of the appendices they are working on (such as one on demand management). He thinks he'll be bringing Russ Stein, Cassandra, and Dale Hoffman-Floerke (who didn't retire when she was offered a promotion). He wasn't sure if Helliker was coming.

p.s. I know Erin and Stephanie wont be here but included them just so they know what they missed. We can catch you guys up later.
